Here's how it works:

Number Of Cards Sold	% Earned	Money Raised For Your Organization
1 - 49	60%	\$6 to \$294
50 - 74	65%	\$325 to \$481
75 - 99	70%	\$525 to \$693
100 - 999	75%	\$750 to \$7493
1000 +	80%	\$8000 +

Let's say your organization has 50 members. Each member sells 8 cards on average for a total of 400 cards sold. The cards sell for \$10 each for a total of \$4,000.

The percentage earned will be 75% as determined by the grid above. 75% of \$4,000 = \$3000

In this scenario, you would raise \$3000 for your organization

We can even customize the card to represent your organization at no extra charge!
